

UNITED STATES DISTRICT COURT
for the
EASTERN DISTRICT OF NORTH CAROLINA

U.S.A. vs. Antonio Nicholson

Docket No. 4:09-CR-95-1BO

Petition for Action on Supervised Release

COMES NOW Timothy L. Gupton, U.S. Probation Officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Antonio Nicholson, who, upon an earlier plea of guilty to Conspiracy to Distribute and Possess With Intent to Distribute 50 Grams or More of Cocaine Base (Crack) and a Quantity of Marijuana, was sentenced by the Honorable Terrence W. Boyle, U.S. District Judge, on July 21, 2011, to the custody of the Bureau of Prisons for a term of 210 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for a period of 60 months. On September 12, 2014, the term of imprisonment was reduced to 120 months.

Antonio Nicholson was released from custody on June 15, 2018, at which time the term of supervised release commenced.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

As noted in the Presentence Report, the defendant was previously convicted of Indecent Liberties With a Child. Due to this conviction, it is recommended that the defendant register as a sex offender, submit to a psycho-sexual evaluation by a qualified mental health professional, and submit to polygraph examinations, if deemed appropriate by the psycho-sexual evaluation. The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

PRAYING THAT THE COURT WILL ORDER that supervised release be modified as follows:

1. The defendant shall register with the state sex offender registration agency in the state where the defendant resides, works, or is a student, as directed by the probation officer.
2. The defendant shall submit to a psycho-sexual evaluation by a qualified mental health professional who is experienced in evaluating sexual offenders and who is approved by the U.S. Probation Officer.
3. At the direction of the U.S. Probation Officer, the defendant shall submit to physiological testing, which may include, but is not limited to, polygraph examinations or other tests to monitor the defendant's compliance with probation or supervised release and treatment conditions.

Except as herein modified, the judgment shall remain in full force and effect.
